**GODS OF AMENTI™ and DRUANNA JOHNSTON™**

### Terms and Conditions

On this date: \_\_\_\_\_,

I \_\_\_\_\_ Agree to the following Terms and conditions to protect both parties interest.

With this Secure Creditor Ecourse with **Gods of Amenti™** and **Druanna Johnston™** owner of the [godsofamenti.com](http://godsofamenti.com) site, I recognize their only job is to provide a service in filling out all the proper documents needed to become a **Nonadverse Secure Creditor** and send these documents out via certified mail return receipt. They, through my consent, use my personal information to fill out the documents for me to make it as accurate as possible. This service for filling out the documents can take anywhere from 7 to 10 business days. **Gods of Amenti™** will send me instructions through the Ambassador Level 1 Ecourse to follow in getting certain documents signed, notarized and/or recorded.

Within 24-48 hours of signing this terms and conditions and getting it notarized and paid via Wire Transfer, I will gain access into the ecourse.

## **The Service**

All documents will be provided by **Gods of Amenti™** Electronically via email only. Please give us up to 7 to 10 business days to get your documents emailed over to you. What our service does is simply to fill out the forms for you with your info to save you more time to get your package prepared quickly. We have one of our staff send you a form for you to fill out with your info which we keep private and will not share your sensitive info with anyone else. After your package is prepared we delete your info. I recognize it is me inputting the info in the database so one of your staff members will be able to process the documents. If I input the wrong info I will need to pay an extra fee of \$55 to the staff who is preparing it for me due to the time consideration on their part. I have the right to ask questions on how to properly fill out the form if need be. Package 2 is included electronically without extra charge. If I wish after I sent out my first package to have the staff prepare package 2 for me I would need make sure it is done within 60 days time. Anytime after that I will need to pay the fee of \$55. The reason for this is because I would need a specific form filed already from the first package and the registered mail return receipt to input into the second package that was sent out via the first package. Once this is done the same process will happen where the documents will be delivered electronically by our staff.

**Please make sure that the first package is sent out the same week you receive your package via email. From that day forward you will have 60 days left to do so or you will be charged extra.**

It only takes up to 2 weeks or less to receive your green card receipt from the first package. You can get the registered mail return receipt number immediately once you mail out the first package which will be on your receipt received from the post office. Once you receive the receipt from the post office the same day you sent it out, you may have one of our staff start on preparing your second package. No need to wait for the first package green card receipt to be received. We advise to wait on sending the second package after you do receive the green card receipt from the first package.
