3 Day Workshop Syllabus, approximate 6 hour day.

This 3 day workshop will also be live & recorded from the meeting room via Zoom invitation.

**What you will learn:**

**Day 1:**

*9am-12pm*

First 3 hours (Morning)

Santos Bonacci explains the fundamentals using Syncretism to explain how everything is connected from religion, politics, symbolism, astrology, and the human body. He also goes into the power of activating the pineal gland utilizing certain exercises which will benefit you immensely.

2nd 3 hours (Afternoon)

***1pm-4pm***

Darren & Druanna do their introduction to their success principles by giving their stories of success and how they utilized the knowledge they learned and how they applied certain techniques that empowered them in their lives from within. We utilize techniques to rid our minds, and bodies of bad memories, bad habits, behaviors, removing all blocks in order to move forward. Using special techniques such as nlp, hypnosis, and other strategies to bring about the transformation. We will be using many exercises throughout the next 3 days which will transform your lives so you will need to partner with someone online or if you are here in person.

**Day 2:**

9am-4pm Lunch at 12pm for 1 hour

Santos Bonacci has 3 hours of more lecture. explains the fundamentals using Syncretism to explain synchronicity with its benefits and uses in everyday life. How everything is tied together.

3 hours of Dr Druanna Johnston and speaking about the sacred knowledge from within, and techniques that will empower you, opening you up to new ways in life giving you a new perspective of endless possibilities. We include tapping into your Superconscious mind (the Magickal Genie within), such as accessing the Akashic Records for answers into your soul path,

purpose and for healing, communicating with your masters and teachers connected to the Akashic records. This will also help with the manifestation process, Sacred Geometry, building the momentum in rapidly speeding up your desires, and overcoming all obstacles that come your way. All problems come from within oneself, and its until we finally remove these problems and tap into our higher genie and guides we will know which direction to take and all problems, challenges, fall away effortlessly.

### **Day 3:**

9am-12pm

First 3 hours (Morning)

Darren & Druanna do a recap from the day before and their final teachings of the spiritual connection to your higher self.

2nd 3 hours (Afternoon)

1pm-4pm

We will be doing a Come as you are party of how you will be in 5 years, after moving forward on your goals. This is very powerful technique that when you act as if you already have it, you will actually achieve that which you want within the 5 year period. According to Jack Canfield his students lives would actually improve and they would achieve those goals. This is very highly recommended.

(Dinner Break)

6pm to 7pm we will wrap our workshop off with a meeting asking you for feedback and interviewing those who wish to be interviewed on how their experience went. Those who attend in person will get a personal reading from Druanna herself if you want one. One of the inner circle ambassadors will be attending in the evening to meet everyone here who attends.
